**Top Transition  
Tips from  
HireRight  
Panelists**

**Bill**

Networking is Key to getting your foot in the door. Your resume will get you the interview, but your network will take you beyond that. Also, make sure you effectively transfer your skills by translating your military acronyms into civilian terms.

**Karen**

Advocate for yourself. Highlight your successes and show how you can be an asset to your team. Add your skills, certifications, and degrees.
