

ACP's Career Blueprint: A Masterclass on Transitioning with Confidence with [Military.com](https://www.military.com)

On April 4th, ACP and Military.com hosted another installment of “The Inside Look” to learn how you can master your military transition. Jacey Eckhart, Military.com’s Transition Master Coach, focused her discussion on mastering your resume to showcase your accomplishments. According to Jacey, your resume is like building an argument; you are changing how someone else sees you without changing who you are. Here are the resources shared during the webinar.
